

## OQ Analyst Web Demonstration Instructions

We have setup a private demonstration of the OQ Analyst Hosted Solution software for testing and evaluation purposes. Feel free to add new clients or questionnaires if you wish.

Login URL: <https://demo.oqanalyst.com/Maine/>

Kiosk URL: <https://demo.oqanalyst.com/Maine/Kiosk>

Documentation site: <https://demo.oqanalyst.com/Maine/Files/>

Test Clients Last Name (use when searching for clients): c

Test Client Medical Record Number: MRNTEST

Test Client Date of Birth: 12/01/2000

The above URLs can be used to login to the site with one of the user roles listed below. Normally each user would have their own user name and password that provides access to only the screens required to complete their job, but the table below provides examples of the different types of accounts available in the system. A combination of User Role and Access Level defines what permissions the user has within the system. See the user manual for more information regarding User Roles and Access Levels.

User Role / Access Level	User name (case sensitive)	Password (case sensitive)
System Administrator	admin	admin
Clinician / Administrative User	clinician	clinician
Clinician / Standard User	clinician2	clinician2
Supervisor / Administrative User	supervisor	supervisor
Clerical / Administrative Use	clerical	clerical
Corporate / Executive User	corporate	corporate

If you wish to test the OQ Analyst Web Service Interface, it is available using:
